Transportation Enhancement Program	Solicitations begin January 1	Letter of Interest due to District office February 1	The Federal Highway Administration's Transportation Enhancement Program provides funds for projects that enhance the transportation experience by improving the cultural, historic, aesthetic and environmental aspects of transportation infrastructure. Each state decides how to use it's enhancement funds. In Ohio, funds are split between Ohio's 17 MPOs and the rest of the state. MPO and statewide funds are distributed competitively. Funds can be used for construction or major rehabilitation only.	Typical: \$500,000 to \$1,000,000, no cap	80/20 cash only	GE, MPD	Randy Lane, Program Manager Ohio Dept. of Transportation Office of Local Projects 1980 W. Broad St., 2nd Floor Columbus, OH 43223 (614) 644-8211 www.dot.state.oh.us/local

Transit Enhancement Funding			The SAFETEA-LU program requires that recipients of Federal mass transit funding in urbanized areas with a population of more than 200,000 certify that they will expend one percent of the funds for transit enhancements. The funding is part of the Urbanized Area Formula Program of the Federal Transit Administration. Eligible enhancements include historic preservation, rehabilitation, and operation of historic mass transportation buildings, structures, and facilities (including historic bus and railroad facilities). Projects must be designed to enhance mass transportation service or use and be physically or functionally related to transit facilities.		80/20	GE, PA	Federal Transit Administration Region 5 200 West Adams Street, Suite 320 Chicago, IL 60606 www.fta.dot.gov  For Northern Ohio: Reginald Arkell 312-886-3704  For Southern Ohio: Vanessa Adams 312-886-0309
National Scenic Byways	February: Applications available April: Applications due to	May	The National Scenic Byways Program provides technical and financial assistance to help preserve America's scenic roads and promote tourism and economic development. The National Scenic Byways Discretionary Grants program provides funding for byway-related projects each year, as part of the Federal Highway Administration's Discretionary Grants Program. Projects to support and enhance National Scenic Byways, All-American Roads and State-designated byways are eligible. Applications are prepared online but submitted through the State's byway program agency.	Varies	80/20		Paul Staley Ohio Department of Transportation Central Office 1980 West Broad Street Columbus, OH 43223 (614) 728-5078
<b>Ohio Arts Council (OAC)</b>							
Capacity Building		Ongoing	Capacity building funds are designed to strengthen Ohio's non-profit arts and cultural sector by helping applicants improve internal governance and leadership, cultivate strategic community linkages, and develop financial and human resources for long-term stability. Building organizational capacity is a long-term, evolutionary process that organizations must engage in purposefully. The program provides funding for work in three areas of capacity: Organizational Governance and Leadership, Strategic Community Linkages and Assets and Resources Development.	\$500 to \$5,000	50/50	CAC, CE, LI, NPO	Ohio Arts Council 727 E.
