Total Population	20.96 per cent.	Chinese Population	67.66 per cent.
White Population	20.96 per cent.	Indian Population	67.66 per cent.
Colored Population	20.96 per cent.		

Notes.—The inhabitants of Alaska and the Indian Territory (both unincorporated as yet) are not included in the above total. The census of Alaska in 1880 showed: White, 221; Colored (leaves of information between the whites and natives), 198; Indians, 1,907; Inuits, 7,481; Indians, 8,685; total, 10,807. The Indian Territory is estimated to contain 25,000 to 26,000 inhabitants. The Indians included in the census in each State and Territory are those who were domiciled as citizens, or outside of tribal organizations. Indians not domiciled are by law excluded from the census. Estimates of their numbers vary widely from 20,000 to 300,000 (the latter as estimated in the census of 1870).
