PREFACE

The 1847 Hamilton County wall map was drawn by William D. Emerson. The engraver was Adolf Wocher. The publisher was C.S. Williams & Son, 5 West 4th St., Cincinnati.

Mr. Emerson stated on his map that the letter references for ownership of village lots and small acreages would be found in an index to be published later. Inquiries at archives and libraries could locate no index as ever being published.

The Library of Congress has no biographical information for William D. Emerson.
