Note.—The inhabitants of Alaska and the Indian Territory (both unincorporated as yet) are not included in the above total. The census of Alaska in 1880 showed: White, 30; Chinese (both of immigrants and natives), 1,063; Alaska, 1,900; Indians, 17,488; Indians, 8,035; total, 30,786.

The Indian Territory is estimated to contain 60,000 to 75,000 inhabitants.

The Indians included in the census in each State and Territory are those reckoned as civilized, or outside of tribal organizations. Indians not taxed are by law excluded from the census. Estimates of their numbers vary widely—from 200,000 to 350,000 (the latter as estimated in the census of 1870).
