In 1841 he was elected representative from Ashtabula county and resigned his office in 1842. The next year he removed to Milan and practiced there for twenty-three years. In 1844 he was elected prosecuting attorney for Erie county; was re-elected in 1846. In 1856 was elected common pleas judge for Sandusky, Ottawa, Erie and Huron counties; was re-elected in 1861, and served in all ten years. In 1866 resumed the practice of law at Sandusky. At the time of his death, October 1, 1882, he was a much-honored man, having a good practice and being a lawyer of keen conception.

JOHN TRAUB,

Notary public, agent for trans Atlantic steamship and foreign collecting; also real estate and insurance. Business location 801 Market street, Sandusky. The business was organized in 1859 by Lewis Traub, the father of our subject, who conducted the business until his death, then was succeeded by John Traub, the subject of our sketch. The business has been successfully carried on and has won for the above firm the highest respect of all his patrons. His cut is on the ensuing pages, the features of which are known to many.

PETER TUFT.

Born in Denmark, Hardsenslaven township, April 4, 1848. In 1881 he came to Ohio, first earning his living by working in the ice factory, but February 23, 1885, began the dairy business, supplying the citizens with one hundred and fifty quarts of milk per day. His honest dealing has won for him one of the best and most successful businesses of its line in the city. Mr. Tuft was a soldier in the German army for two years.

SAMUEL C. WHEELER,

A successful and trusted attorney at law, an honored and respected citizen, was born in the village of Greencastle, Fairfield county, Ohio, September 16, 1828. Received his education in the common schools. In 1856 he turned his attention to the study of law at Sandusky, Ohio, and in 1859 was admitted to the bar in the state courts. In 1871 he was admitted to practice in the United States Court in and for the Northern District of Ohio, and was admitted to the bar of the United States Supreme court at Washington, D. C., March 13, 1877. He was married February 24, 1861, and enlisted June 3, 1861, in Company E, Seventh regiment of Ohio infantry volunteers, for a term of three years, and was wounded in the battle of Fort Republic, Virginia, on the 9th of June, 1862, and was discharged March 23, 1863, on account of wounds received in said battle. After being discharged from the military service, he resumed the practice of his profession, and has followed his profession ever since, ever maintaining the respect and confidence of his people, during which period he has been elected to and satisfactorily filled several local municipal offices, and though always an active working Republican, has never been considered a chronic office seeker, yet he has ever been ready to help his friends, and has the character of always being found faithful and proficient in whatever he undertakes or the trusts imposed in him.
