This directory has been published as a county farmland ownership reference guide. The Official Public Records at your County Court House were used in compiling the enclosed information. Constant property sales and transfers make it impossible for us to guarantee 100% accuracy; errors and omissions are inevitable. If you should notice an error in the Index of Owners or on a map, we would appreciate it very much if you could mail the correction to us on the card below.

SCALE OF MILES

In Ohio, 21,400 volunteer 4-H advisors are assisting 208,000 4-H members with projects, activities and organization of clubs. By working with members on all levels, advisors are helping youths become adults with a good chance for a satisfying life!

A horizontal scale bar with tick marks at 0, 1/2, and 1.0. The text "SCALE OF MILES" is written vertically below the bar.

Puskarich Bros. & Family

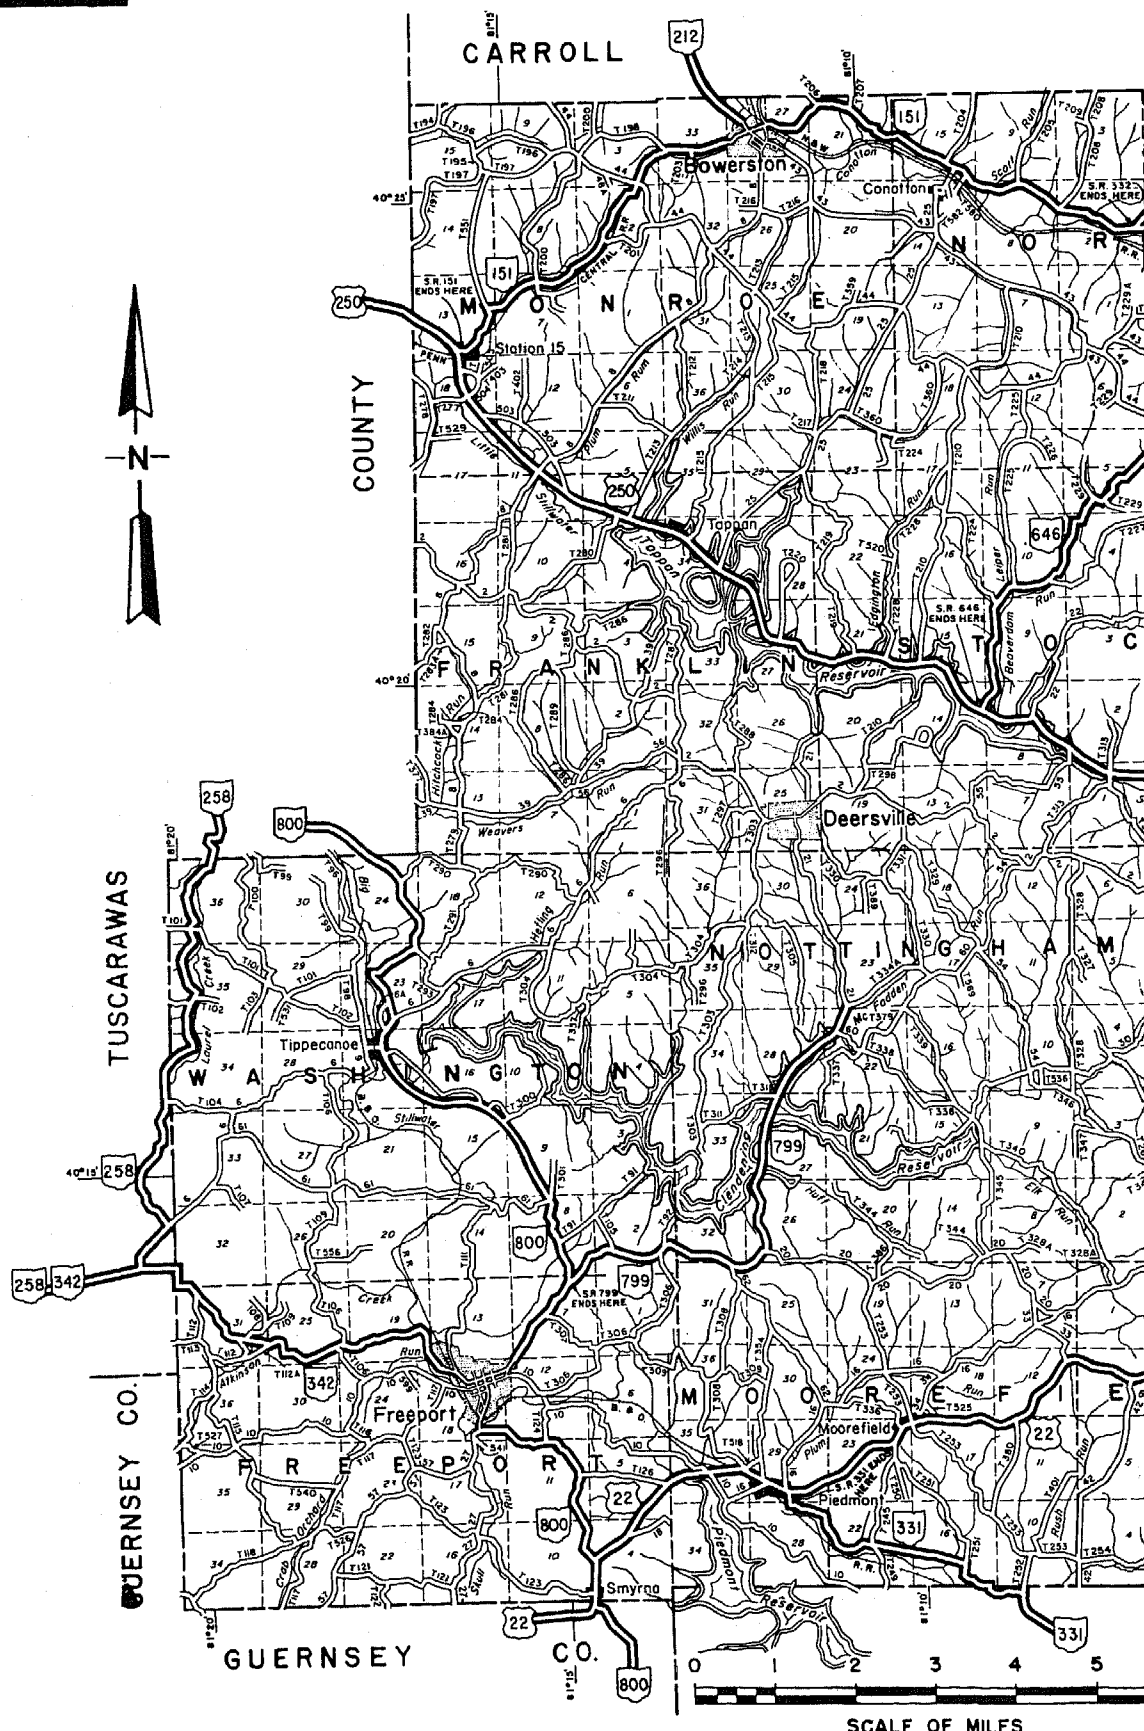

We wish to thank A.B. Graham, the founder of 4-H, for his wonderful thoughts of the future, USDA, SEA, The Ohio State University Land Grant College, Ohio 4-H Foundation and A.B. Graham donors, County Commissioners, Agriculture, Home Economics, 4-H, Community Resource Development Agents and all others who support 4-H in any way.

A special thanks goes to all advisors who unselfishly give so much of their time to 4-H members from the age of 9-19. The secret of the 4-H program is the adult volunteer leadership and interest in working with youth to make a better community, state, country and world. The 4-H projects are designed to meet the needs and interests of boys and girls from both the rural and urban areas.

The purpose of the 4-H Club Program is to provide educational training in skills, leadership, citizenship and to encourage learning experiences. We, the Puskarich Brothers, are dedicated to the 4-H program and support all the hard work and efforts of everyone involved. "Please" and "Thank You" are the greatest words and these are reflected in the entire 4-H program.
