INDEX TO THE
1875
ATLAS OF JACKSON COUNTY, OHIO

This index is the result of the efforts of Mrs. Neva Sturgill Clark Mrs. Alice Murray Lauderback, Mrs. Ruth Hayth, and Mrs. Louise Johnson Hankey, members of the Jackson County Chapter of the Ohio Genealogical Society.

Because of the difficulty in deciphering some of the names on the pages of this Atlas and having to use a magnifying glass, indexing it has taken considerably longer than anticipated.

If a name is shown in the index to be on a certain page and in a certain section or lot number, please note that some townships have more than one Town and Range number and therefore have two or more sections with the same number. For instance, Liberty Township on page 17 has Town 7, Range 19, and Town 6, Range 20. It has two sections #1 and two sections #12; it also has lots numbering 1 through 64. Therefore, if the name you're looking up is in section #1, you may need to search both sections #1, also lot #1 on that page before finding it.

The Index to The 1875 Atlas of Jackson County, Ohio, can be ordered by sending a check in the amount of \$6.70, which includes sales tax, postage and handling, to the Jackson County Chapter of the Ohio Genealogical Society, Post Office Box 807, Jackson, Ohio 45640.
