Please indicate in which packages you'd like to place your purchased raffle tickets. For example: If you purchase 5 tickets, you can allocate all of them to Package #1 by placing a "5" on the allocation line. Another option: Distribute the 5 tickets among several packages, e.g., 3 tickets to Package #1, 1 ticket to Package #7 and 1 ticket to Package #10. The drawing will be on May 15. Winners need not be present.
