Range I

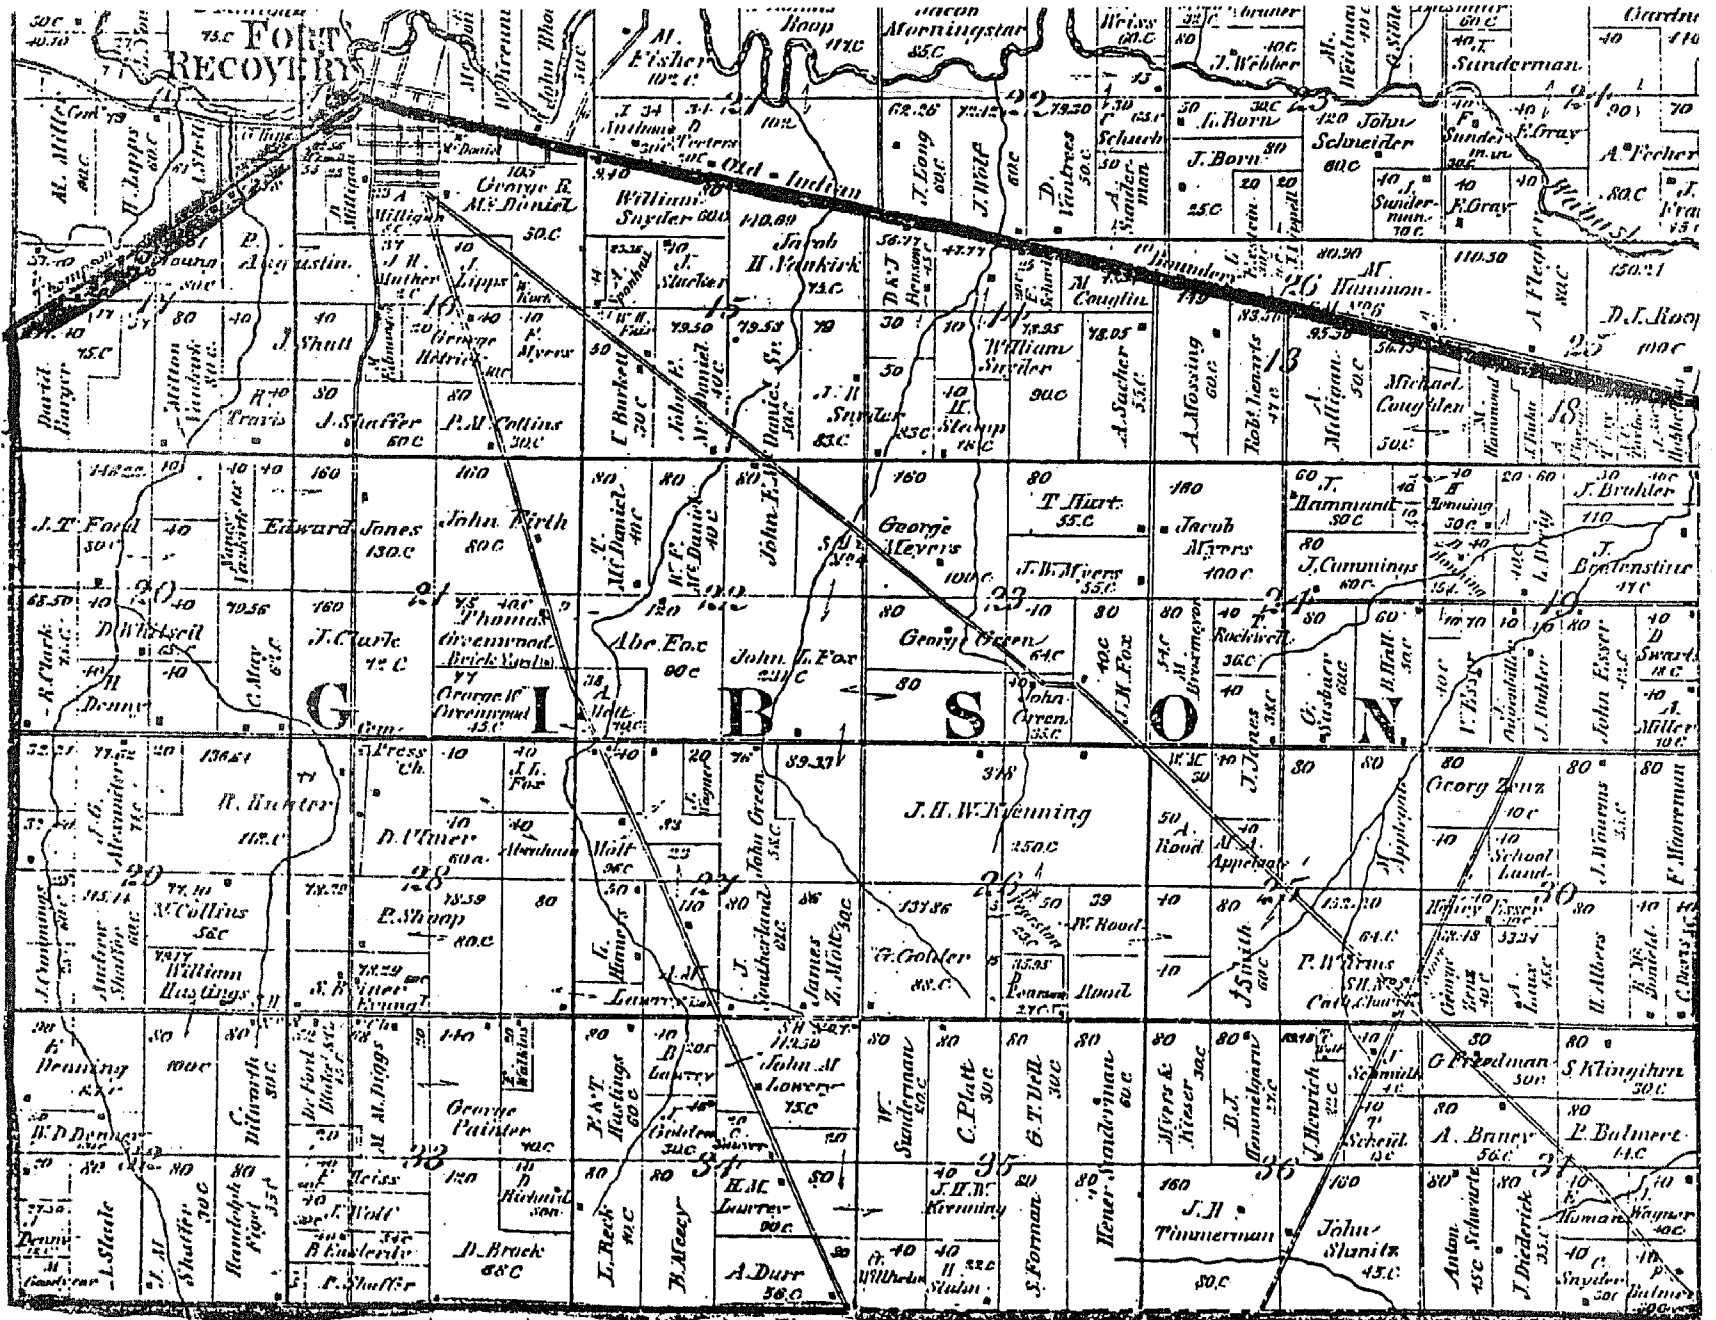

This is a historical map of a section of the Erie Canal, showing numerous land parcels and the names of the owners. The map is oriented with North at the top. The canal itself is a winding waterway that runs through the center of the map, with many small islands and narrow channels. The land parcels are rectangular and are labeled with the names of the owners, often followed by a number indicating the acreage. The names are written in a cursive or semi-cursive script. The map is a black and white reproduction of a historical document.

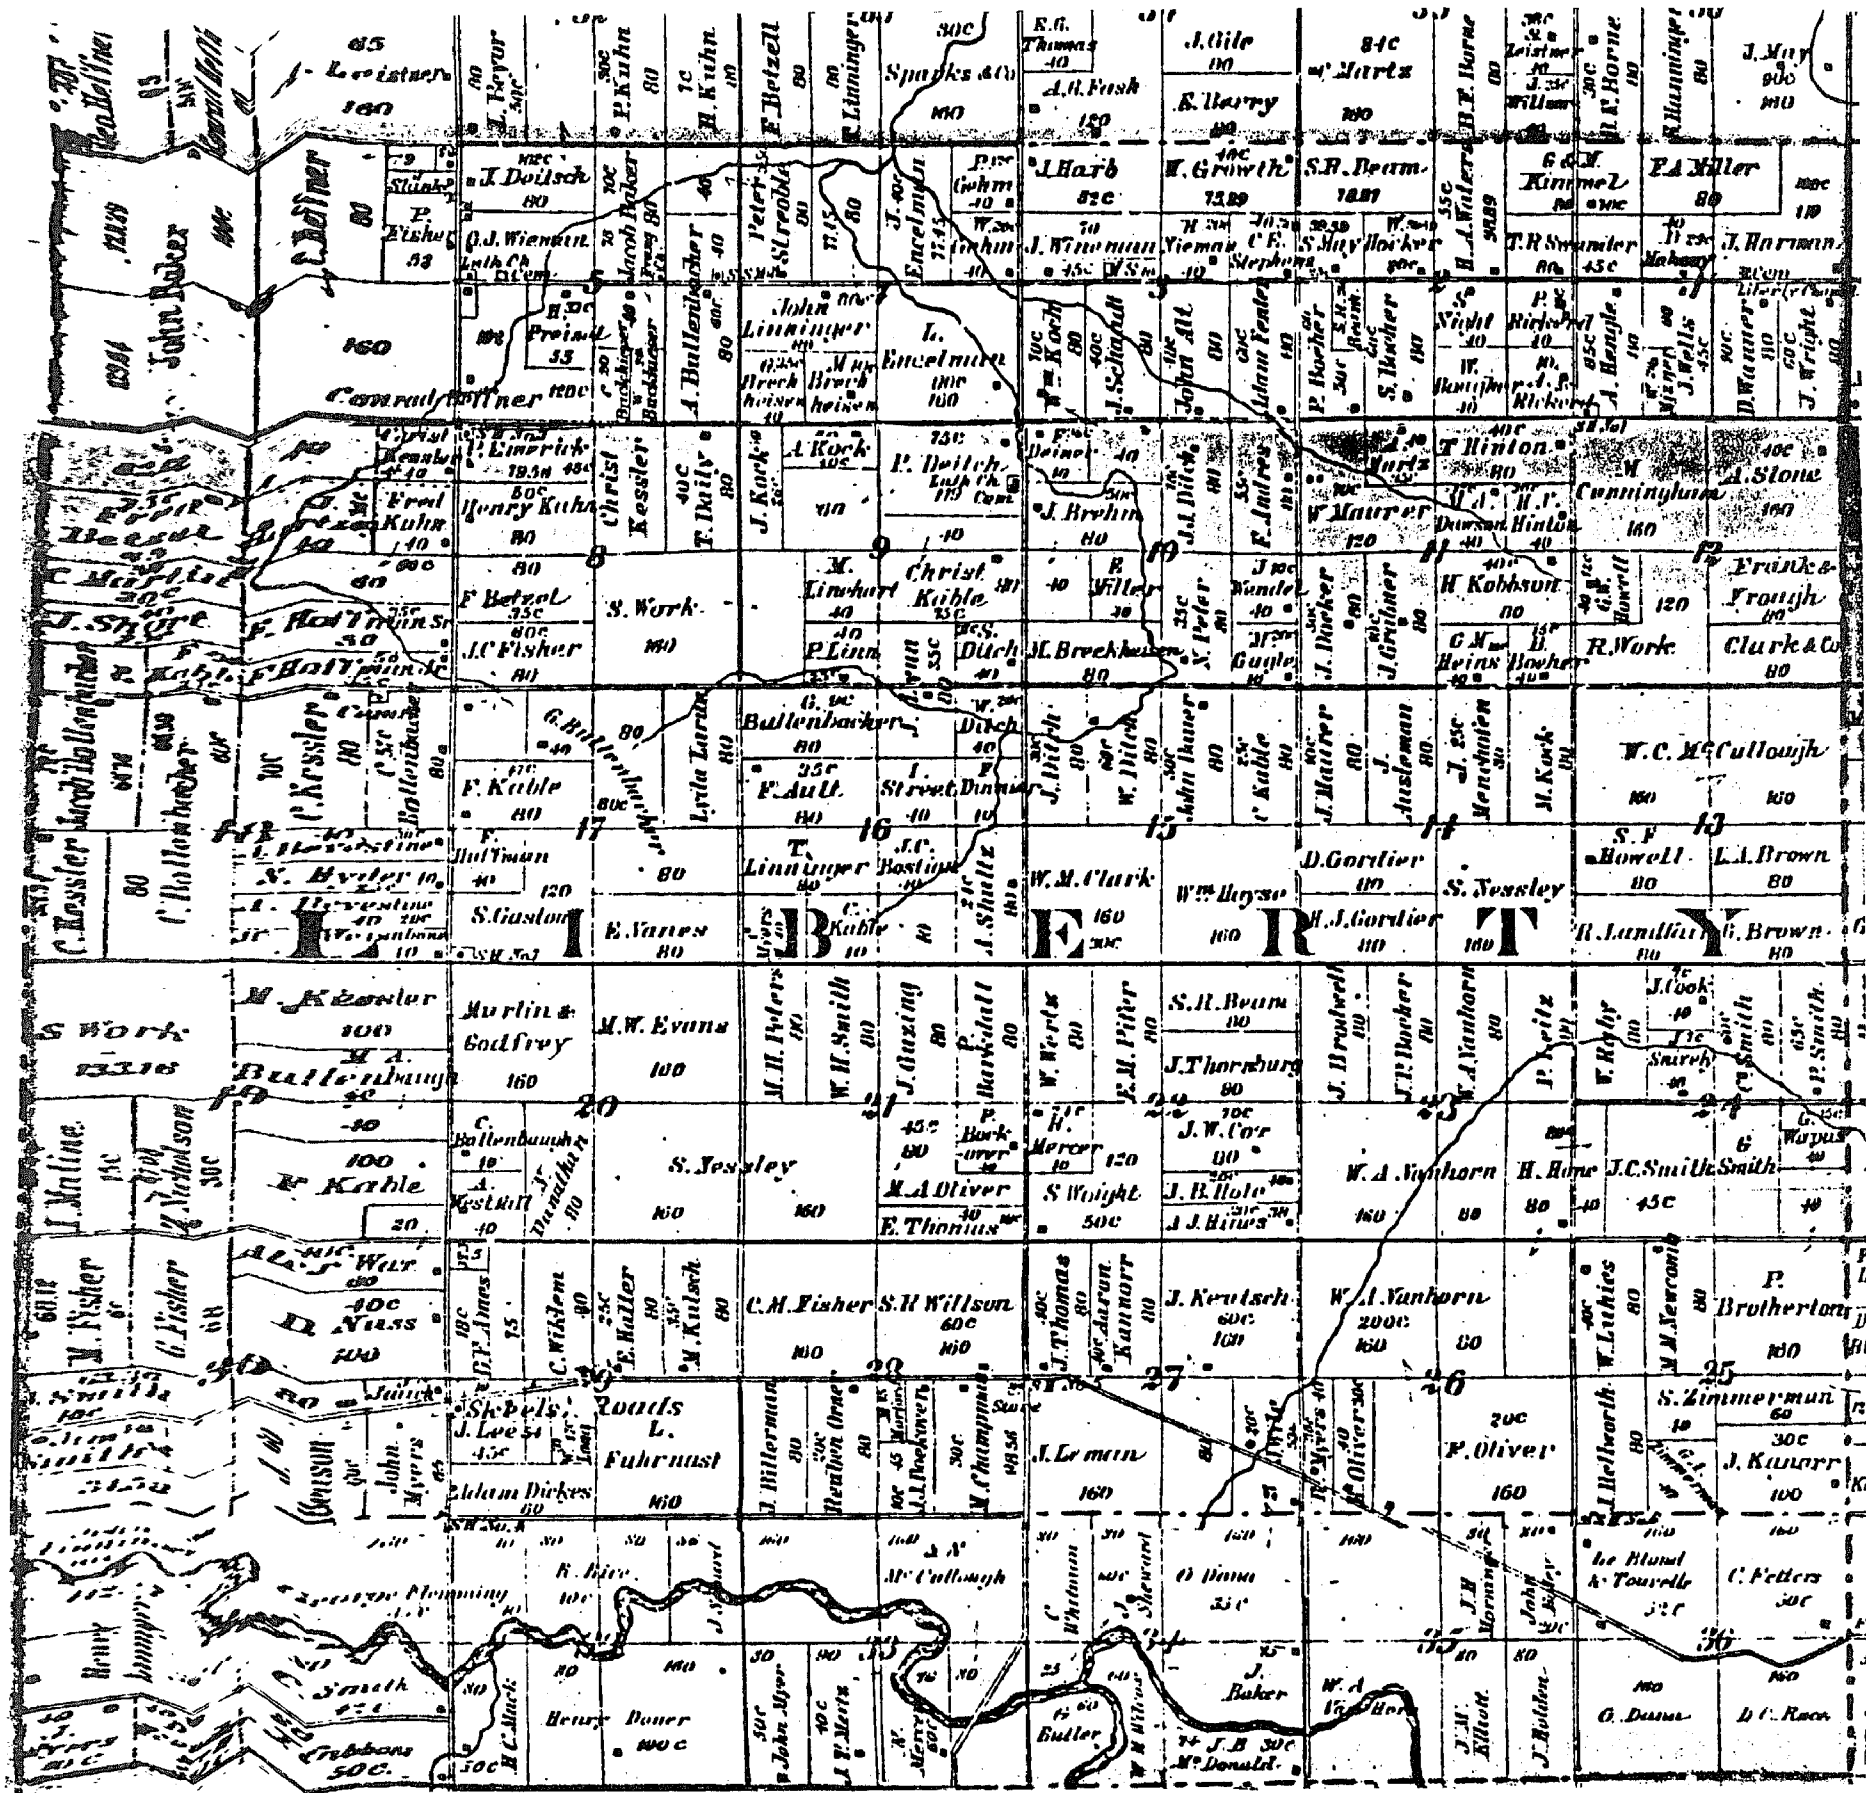

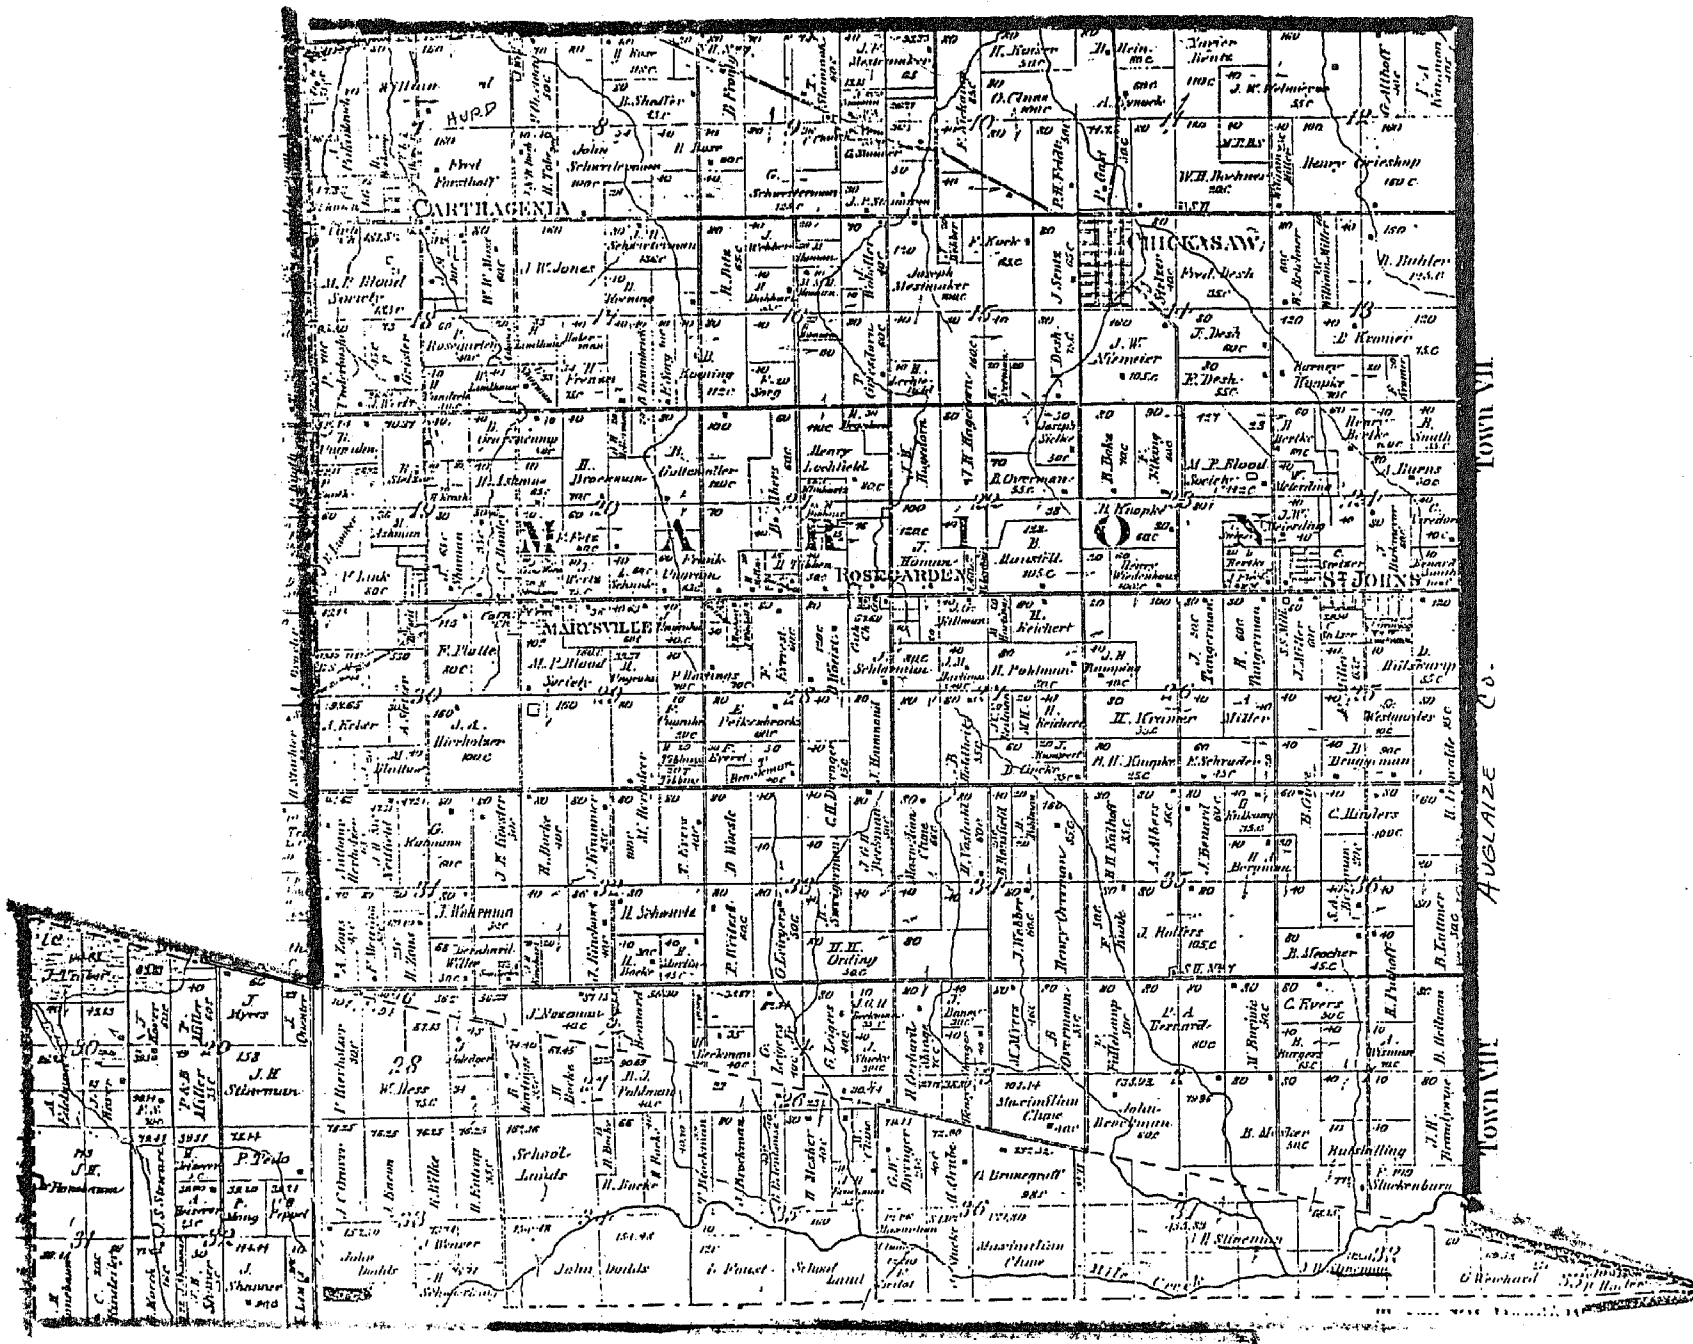

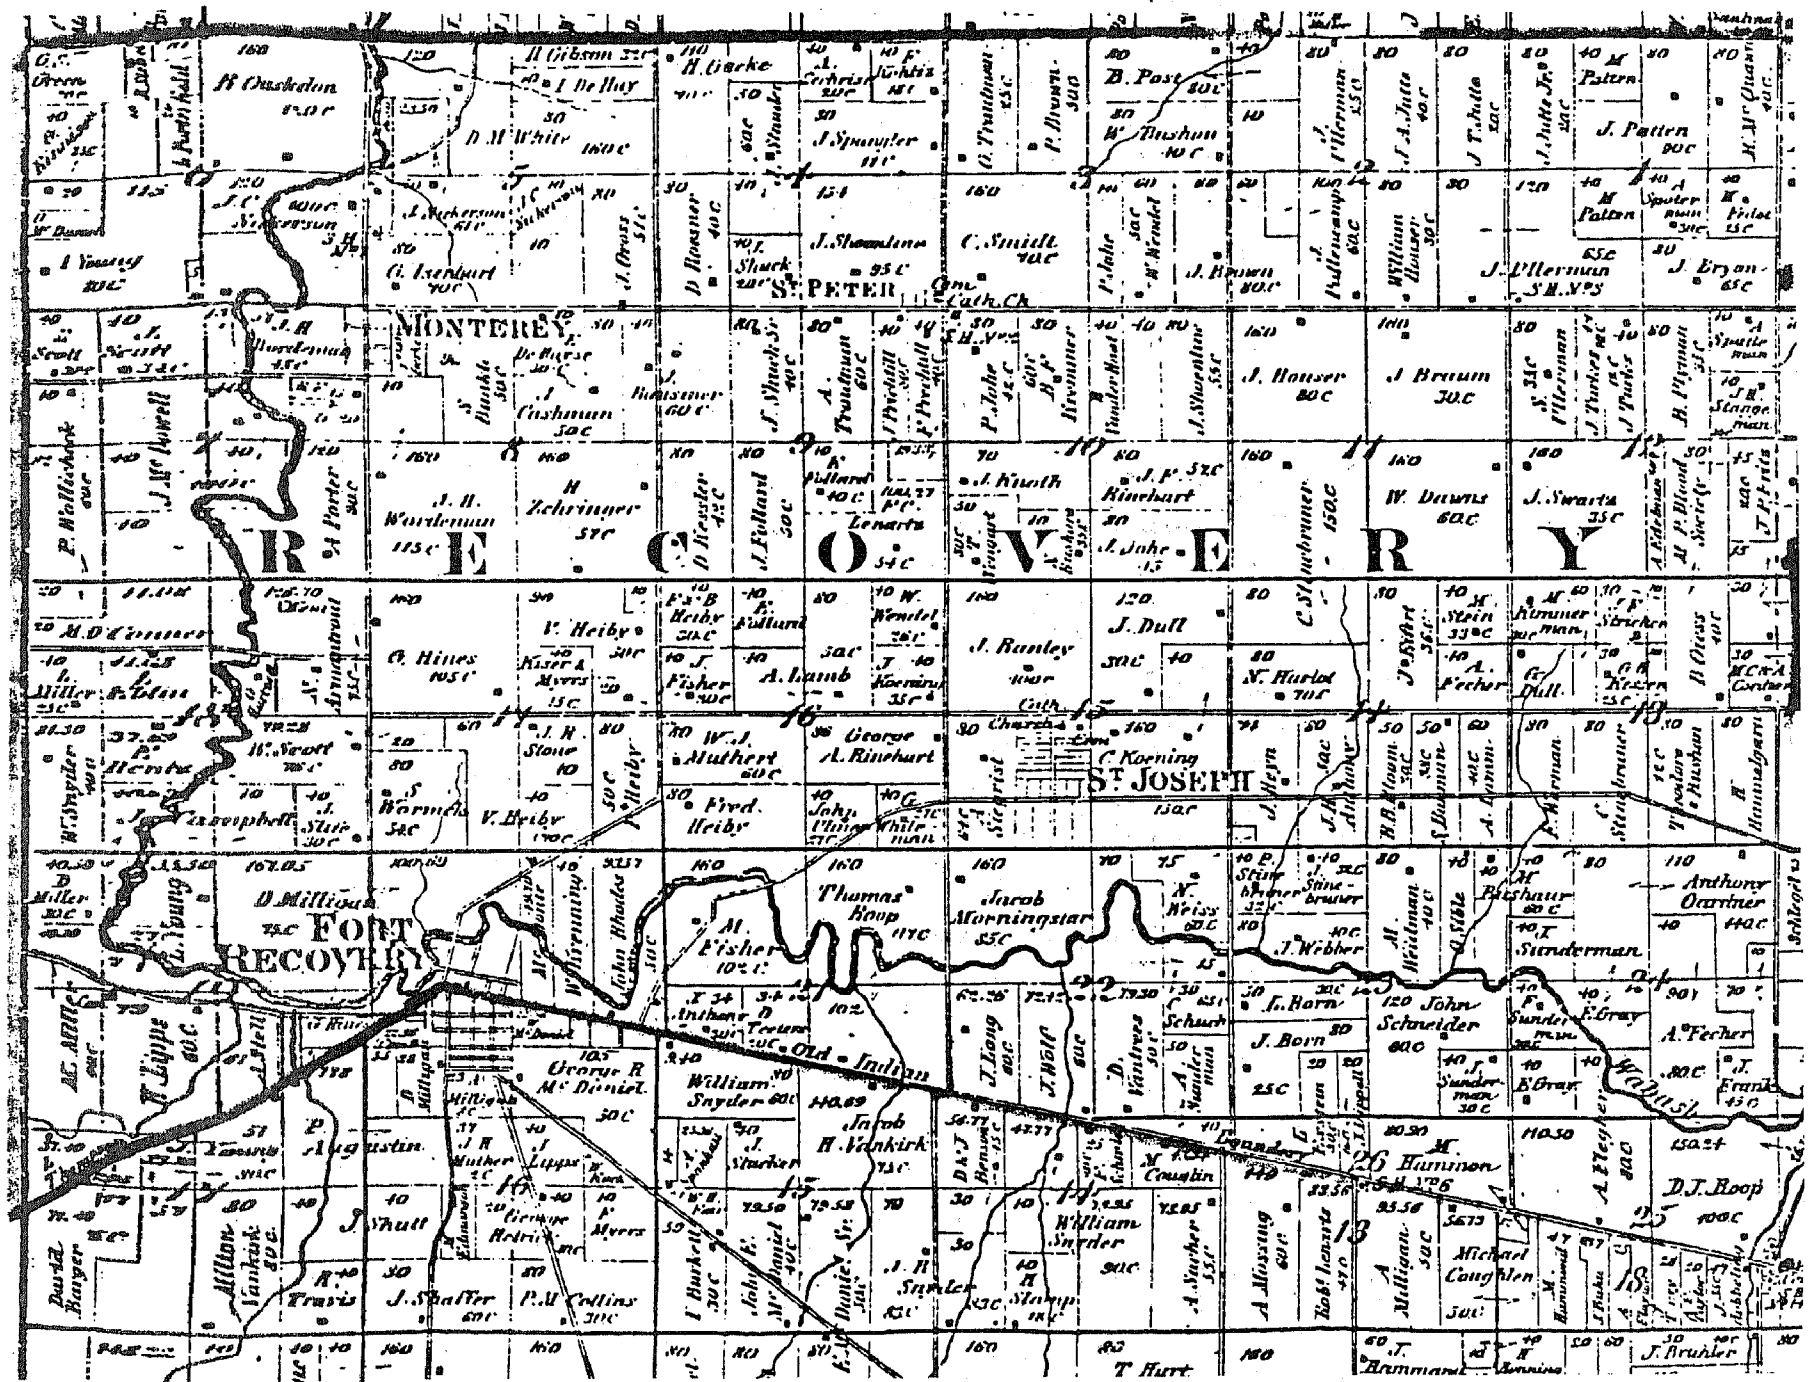

TOWN V

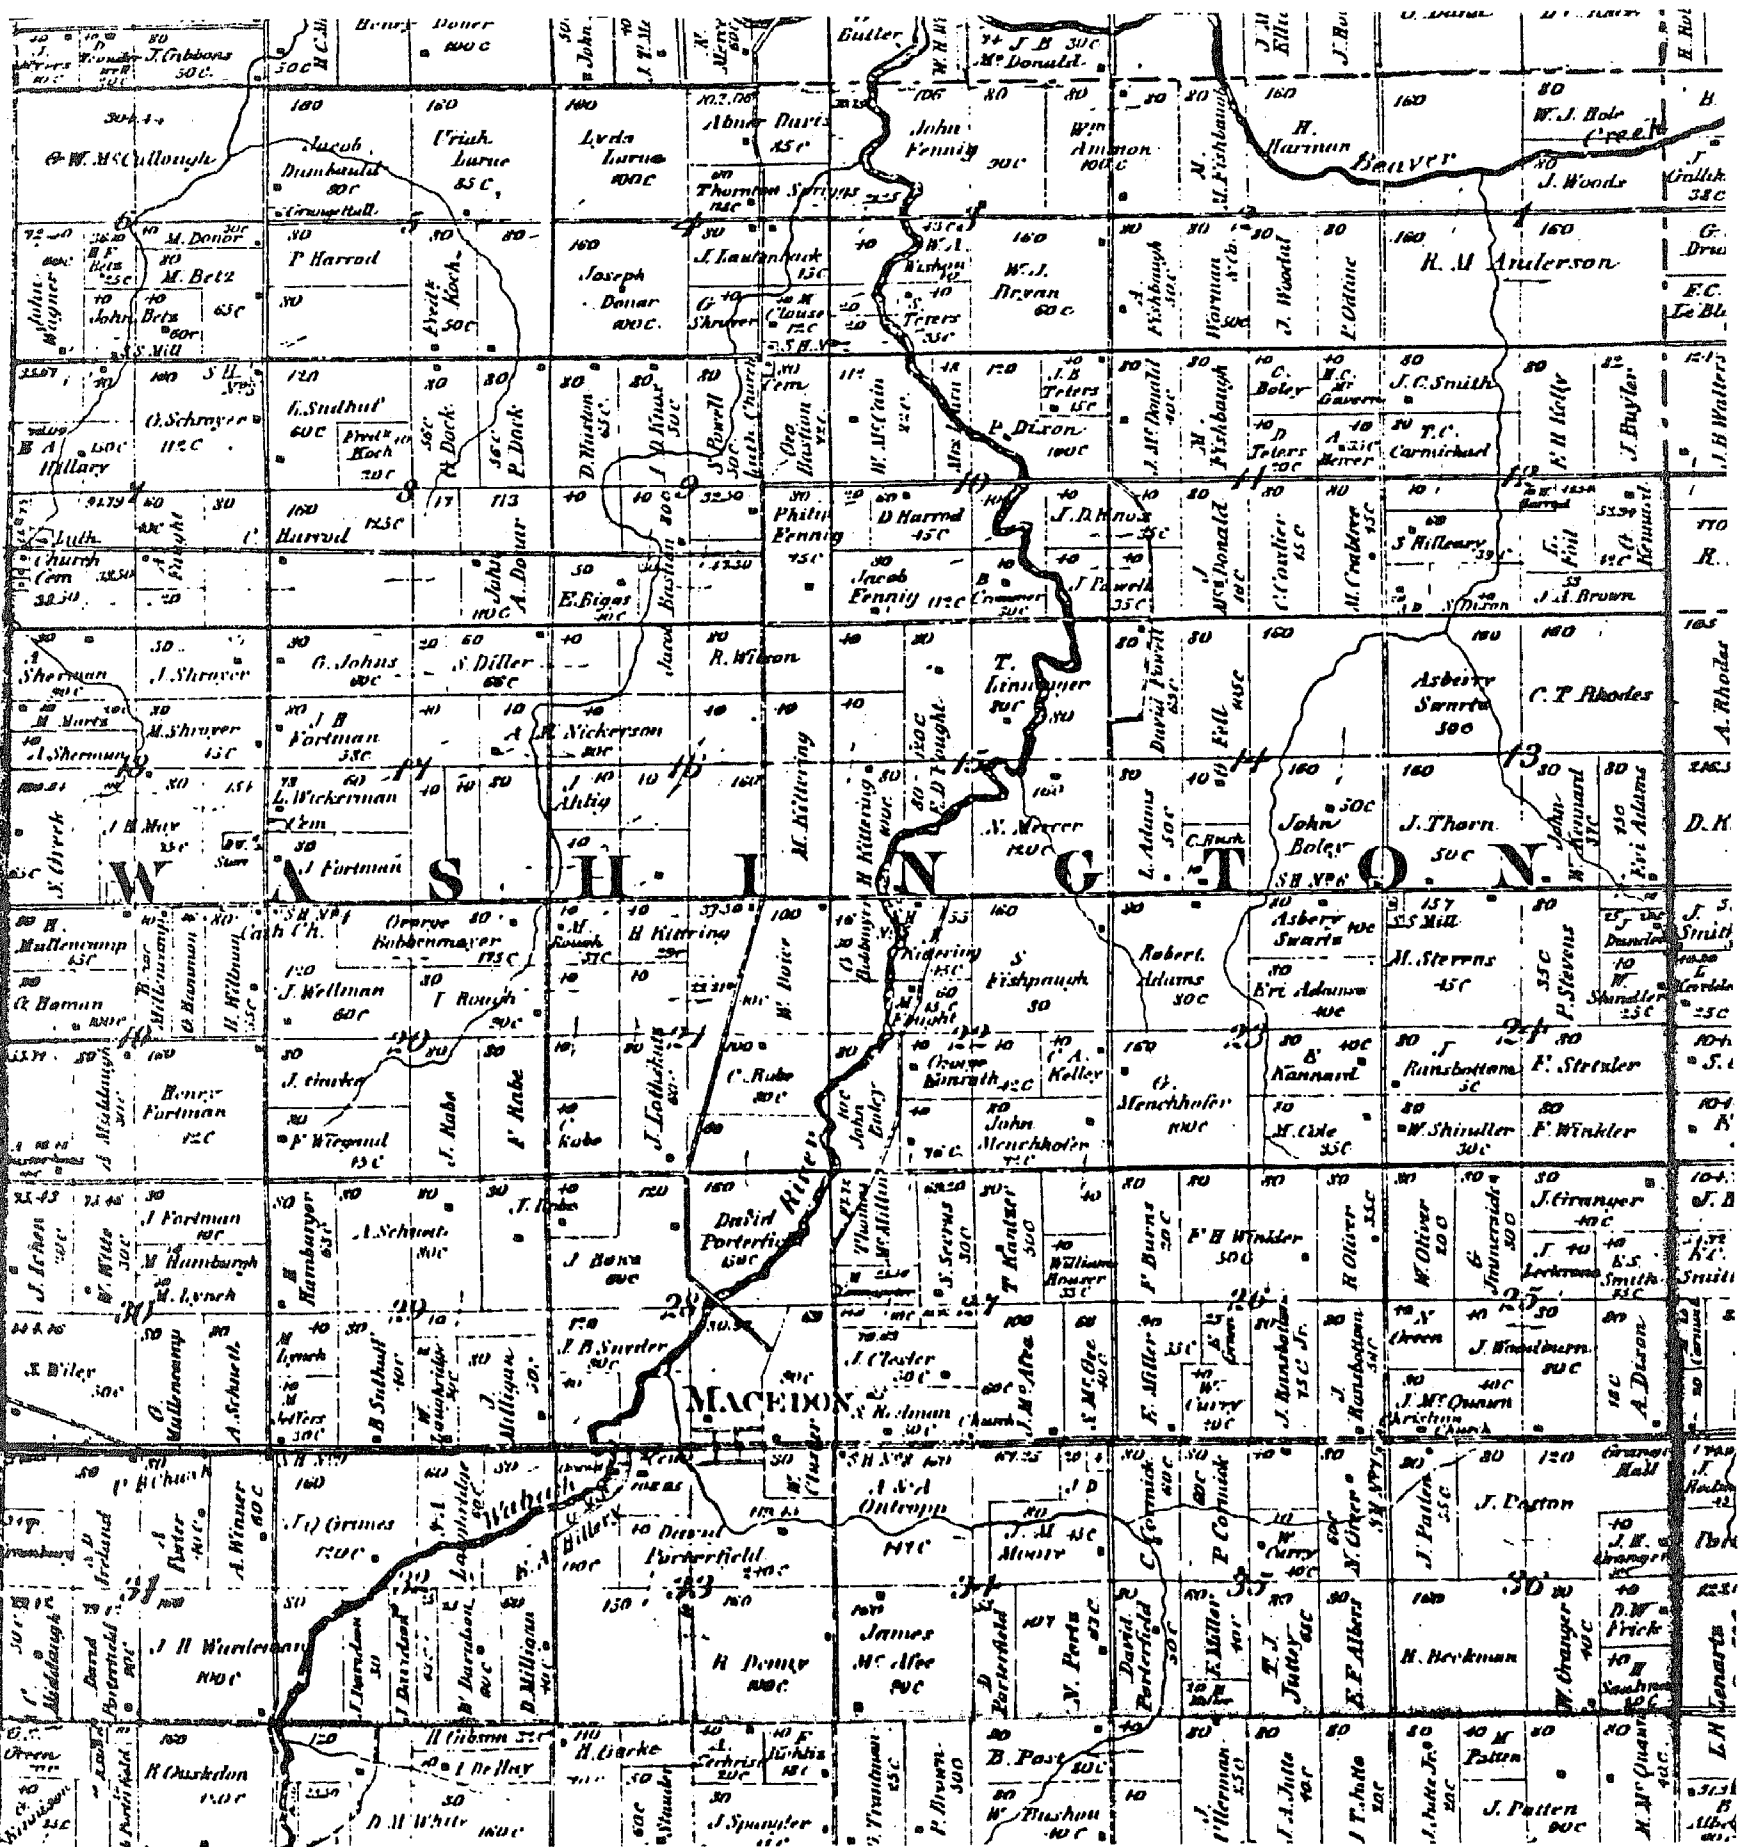

This is a historical map of Mendocino County, California, showing land ownership. The map is a grid of sections, each labeled with a name and a number. A winding river, likely the Eureka River, flows through the center of the map. The names are in various fonts and sizes, indicating different land parcels and owners. The map is oriented with North at the top.

1876 MERCER COUNTY, OHIO

The 1876 Mercer County townships shown in this section were taken from and old wall hanging in the local Courthouse.

This index for the 1876 Mercer County, Ohio, wall hanging has been prepared by volunteer members of the Mercer County Chapter of the Ohio Genealogical Society. Names were indexed as spelled on the wall hanging as near as could be deciphered. Please check carefully as the names on this wall hanging may be spelled quite differently than they are on later maps.

To use the INDEX: The number following the given name denotes page number. The number preceded by the # sign represents a Township Section number. Charley Reserve, Crescent Reserve, Black Loon Reserve, Anthony Shane Reserve and Louis Godfrey Reserve are Indian Reservations. Some townships do have duplicate numbers.

EXAMPLE: ADAMS, EVI., 15, #13, #23, 17

The above means that Evi. Adams can be found on page 15 in sections 13 and 23, and also can be found on page 17.
