Tension in China Growing
An anti-foreign rebellion in China seems eminent as nationalist feelings there are growing. In reaction to the imperialist overtures by England, Germany, France, Italy, and Japan an organization calling itself the Society of Righteous Harmonious Fists has led attacks on the diplomatic corps of those countries. Barricading themselves in the British Embassy for fear for their lives, a siege has begun.

Pan American Exposition Coming
The Pan American Exposition is being organized by the Pan-American Exposition Company, which was formed in 1897. Cayuga Island was initially chosen as the place to hold the Exposition because of the island's proximity to Niagara Falls, which is a huge tourist attraction. When the Spanish-American War broke out in 1898, plans were put on hold. After the war, there was a heated competition between Buffalo and Niagara Falls over the location. Buffalo won for two main reasons. First, Buffalo has a much larger population—with roughly 350,000 people, it is the eighth-largest city in the United States. Second, Buffalo has better railroad connections—the city is within a day's journey by rail for over 40 million people. In July 1898, Congress pledged $500,000 for the Exposition to be held at Buffalo. The "Pan American" theme will be carried throughout the event with the slogan "commercial well-being and good understanding among the American Republics." The advent of the alternating current power transmission system in the US will allow designers to light the Exposition in Buffalo using power generated 28 miles away at Niagara Falls. The 1901 Exposition is expected to rival, if not surpass the 1893 World's Columbian Exposition held in Chicago to celebrate the 400th anniversary of Christopher Columbus's arrival in the New World in 1492.

Admiral Dewey
Naval Hero
Admiral George Dewey's figure in the war just closed towers above every other in the army or navy. It is not alone as a fighting commander that Dewey has earned his high distinction. For more than three months after destroying the fleet at Manila he faced a most difficult problem in diplomacy. From first to last he commanded the situation with the prudence of the statesman as well as the firmness and readiness of the military genius. He made no mistake. The jealousies excited in some of the nations of Europe by the entrance of the United States into a new field were ably met by this leader, whose gifts have just been revealed to his countrymen. When foreign meddlers crossed the proper limit he repelled them with just enough decision. At the end he compelled the city to surrender upon his terms, and it is legitimately the prize of his operations. As for the great naval battle it will be famous as long as time endures. It was Splendidly intrepid and yet a carefully organized attack combining at once the profoundness calculation and the most brilliantly aggressive courage. Admiral Dewey's work is too complete and conspicuous to cause envy. He stands unquestionably first on the roll of our heroes in the war with Spain.

American Circus Touring Europe

The Barnum and Bailey Circus, widely advertised as the “Greatest Show on Earth”, is now in its second year touring the continent of Europe. With rousing revues the show has been attracting thousands to its performances. During Barnum and Bailey's Circus at London's Olympia, there were at least ten displays including aquatic acts, aerialists, elephants and an equestrian act featuring 70 horses performing in the ring at once. A military band played before the performance, there were races and ballets, a menagerie and a spectacular re-enactment of a famous American sea battle. Altogether the circus has employed 1,200 people and 380 horses. When Mr. James Bailey was asked how long the show would remain in Europe, he answered, “As long as all of the seats are filled.”

Looks Like Suicide
Mrs. Mary Luxa, aged 47 years, was found dead in bed last Wednesday morning, the supposed result of ingesting a dose of arsenic. The woman is said to have been addicted to the use of intoxicants and this is alleged to have had something to do with her taking her own life.

Heavy Rainfall
The heaviest rainfall ever known in this section of the country occurred last week when 2.67 inches fell in one hour. The ordinary channels of ditches and streams were insufficient to carry off the water and many of the fields were flooded and crossings and culverts washed out.

Happy Rosh Hashanah
from
The Bakery Shop

Delicious baked goods of all kinds.

We would like to wish everyone a Happy Rosh Hashanah! Rosh Hashana, for those who do not know, means “head of the year” also known as the “Feast of Trumpets.” This two-day celebration marks the beginning of the new lunar year. The celebration is marked by the blowing of the shofar, prayers, the eating of traditional foods, and of course our famed round challah bread to symbolize the cycle of the year. If the bakery is closed when you arrive, we shall return shortly as we may be participating in the ritual of Tashlikh, the “casting off” of sins by naming them on pieces of bread and casting them into the river. Please stop in to visit Mrs. Rozen at the bakery with any orders or inquiries. Shanah Tovah, “Have a Good Year”!

Cleveland—Rains of last Monday softened the soil and caused a cave-in on the Doan Street sewer in Glenville. Late in the afternoon a mass of earth slipped into a trench which is being dug 15 feet below the street level and buried a number of workmen, one man was dead and another seriously injured. The dead man was Louie Alupp, he was 50 years old and from Italy.

Alliance—Burglars entered the residence of Rev. Dr. Lane, pastor of the First Methodist Church, Friday night, the family being absent from the city. The burglars ransacked the house, cooked a meal on the kitchen stove and before leaving set fire to the house. The flames were discovered and quick work by the fire department confined the fire to the bed-room and parlor. The fire loss will be $600.

Cincinnati—The courts began to hear testimony which the state expects will bring the sausage maker to the gallows for suicide. The first witness was Dierich Beckner, brother of the missing women, who reported Mr. Luetgert told him, in a nonchalant manner, that his wife had disappeared several days before and that he had not thought it worthwhile to report the matter to the police. More sensational testimony is expected.
