

Now Accepting Applications 2024-2025 Ohio History Service Corps

The Ohio History Connection is now accepting applications for AmeriCorps Members to serve in the Ohio History Service Corps in 2024-2025!

Established in 2010, Ohio History Service Corps (OHSC) members provide service to Ohioans and their local history communities through collections management projects, strategic planning, community engagement, historic site survey, programming, and other capacity-building initiatives. Members provide coaching, assistance, and help organizations become more effective and sustainable. With the assistance of Ohio History Service Corps members, organizations increase their knowledge of the public history and cultural heritage field standards and best practices by creating new programs, policies, and procedures that meet those standards. Members also assist communities take the first step in historic preservation through their completion of historic structure surveys. The Ohio History Service Corps is a hallmark program of the Ohio History Connection, the statewide history organization, and is one of very few history-related AmeriCorps programs in the country!

The Ohio History Service Corps program has two components. Click the links below for the full individual position descriptions or visit <https://my.americorps.gov> and search for "Ohio History Service Corps":
